a. Regular Board Meeting Minutes December 18th, 2024, as presented.

b. Warrants report dated 12/1/24-12/20/24 through date range, as presented.

VI. Discussion/Action Items

a. School Accountability Report Card (SARC) (DISCUSSION)

Rationale: Since November 1988, state law has required all public schools receiving state funding to prepare and distribute a SARC. A similar requirement is also contained in the federal No Child Left Behind (NCLB) Act. The purpose of the report card is to provide parents and the community with important information about the school. The SARC is an

effective way for the school to report on its progress in achieving goals. The public may also use a SARC to evaluate and compare schools on a variety of indicators.

Recommendation: The board review the SARC prepared by the Superintendent for Southside School reflecting the 2023-2024 school year.

Recommended Motion: That the Board of Education review and approve the SARC report as presented.

b. Revised Southside School Comprehensive School Safety Plan (CSSP) (ACTION)

Rationale: California *Education Code (EC)* Section 32281(a) requires every kindergarten through grade twelve school, public and public charter, including community and court schools, to develop and maintain a Comprehensive School Safety Plan designed to address campus risks, prepare for emergencies, and create a safe, secure learning environment for students and school personnel. The California Constitution guarantees California children the right to attend public schools that are safe, secure, and peaceful. The CDE, public school districts, county offices of education (COEs), and schools and their personnel are responsible for creating learning environments that are safe and secure. First responders, community partners, and families play an essential role, as well. Schools must be prepared to respond to emergencies including natural and man-made hazards and strive to prevent violence and behavior issues that undermine safety and security. CSSPs include strategies aimed at the prevention of, and education about, potential incidents involving crime and violence on the school campus and aspects of social, emotional, and physical safety for both youth and adults.

Recommendation: The board review and discuss the revised school safety plan for edits and revisions.

Recommended Motion: The board approve the Southside School Safety Plan for the 2024-2025 school year.

c. Annual Financial Report for Period Ending June 30, 2024 (ACTION)

Rationale: Local educational agencies (LEAs) are required to file two reports during a fiscal year (interim reports and year ending reports) on the status of the LEA's financial health. The first interim report is due December 15 for the period ending October 31. The second interim report is due March 17 for the period ending January 31. Year ending audit reports are required to demonstrate the responsibility to appropriate accounting

standards and practices. County superintendents are to report to the Superintendent of Public Instruction and the State Controller the certification for all districts in their county within 75 days after the close of the reporting period. The interim reports must include a certification of whether or not the LEA is able to meet its financial obligations. The certifications are classified as positive, qualified, or negative. A positive certification is assigned when the district will meet its financial obligations for the current and two subsequent fiscal years. A qualified certification is assigned when the district may not meet its financial obligations for the current or two subsequent fiscal years. A negative certification is assigned when a district will be unable to meet its financial obligations for the remainder of the current year or for the subsequent fiscal year. In addition, the Superintendent of Public Instruction may reclassify the certification of any county office of education or reclassify a certification based on an appeal of a school district in accordance with the above standards. Recommendation: The board approve the Annual Financial Report for Period Ending June 30, prepared by Eide Bailley, LLP, Certified Public Accountants retained by the San Benito County office of Education. The report reflects the financial statements of each major fund, and the aggregate remaining fund information for the year ending June 30, 2024, for the Southside School District.

Recommended Motion: That the Board of Education review and approve the Annual Financial Report for Period Ending June 30, 2024.
